Book details

Book Synopsis

Pursuing Success, from Author and world-renowned speaker Mike Rodriguez, is a book that brings together a group of insightful stories written by people from different backgrounds. Co-authors include a banker, a marriage counselor, a former NFL athlete, a business coach and an entrepreneur. Everyone has dreams and everyone faces challenges in life. However, the biggest difficulty that you will face is when your challenges seem to overtake you and appear to drown out your dreams. Know that there is hope and that you can choose to succeed. Each story in this book contains life tips and personal words of inspiration to share, a life-altering difficulty that has been overcome or an insight on how you can improve and just keep moving forward to pursue success! Join us and read each story as the contributing Authors strive to inspire you. Co-Authors include Joe Velazquez, Martin Chase, Shane Adamson, Olusola Omole and Shanna Dorion.
